In Partnership with Ranchos Los Cerritos

**WHEN:** Wed, Oct. 30, 2024  
2:00pm - 3:30pm

**WHERE:** Rancho Los Cerritos

## Creating Healthy Soils Through Sheet Mulching

Looking to remove your lawn or boost your garden's soil health?

Join our workshop to learn how the Watershed Approach applies to your landscape, build soil health for stronger plants, and master Sheet Mulching—also known as the "Lasagna Method." This easy technique layers compost, paper, mulch, and water to smother grass and enrich the soil, creating the foundation for a thriving, nature-inspired garden.
